

Year 1

Additive Fluency 1

Week 11

7 and 8

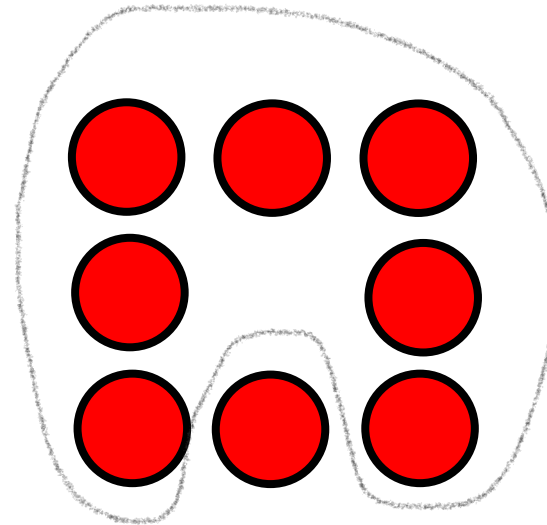

8 is 1 more than...

Put 8 objects in a pattern.

Put a loop around 7.

Try different ways.

Number friends

Find 8. Then find 7.

Find 18. Then find 17.

Find 58. Where is 57?

1	2	3	4	5	6	7	8	9	10
11	12	13	14	15	16	17	18	19	20
21	22	23	24	25	26	27	28	29	30
31	32	33	34	35	36	37	38	39	40
41	42	43	44	45	46	47	48	49	50
51	52	53	54	55	56	57	58	59	60
61	62	63	64	65	66	67	68	69	70
71	72	73	74	75	76	77	78	79	80
81	82	83	84	85	86	87	88	89	90
91	92	93	94	95	96	97	98	99	100

Jump from 0 to 8.
Count as you go.

What patterns can
you make?

Find 7 and 8 on a number line

Show 7 and 8
on different
number lines

Do you need to
count from the
start?

Parts of 7. Parts of 8

Play a game

Show 7 on two hands.

Turn it into 8!

I will call these
finger facts!

I will learn these
facts for 7 and for
8

Number stories

I started with 1
I got 6 more
Now I have ...

You have 8
I have 3
You have more
than me

There are 7 lights.
4 are on.
.... are off.

**Tell a story for
each fact**
