

# Year 4

**Multiplicative Fluency 2**

**Week 2**

**Numbers 32 and 36**

**Notes for teachers in school or at home:**

- **This week is about learning key factors for 32 and 36 (up to 9x table)**
- **Know that 32 has 1 key fact:  $4 \times 8$**
- **Know that 36 has 2 key facts:  $6 \times 6$ , and  $4 \times 9$ .**
- **Understand that there are other factors, eg  $3 \times 12$  or  $2 \times 16$ , but focus is on learning up to  $9 \times 9$ .**
- **Know division and fraction facts for each number.**

# Equal groups to make 32

Look how these  
dice make 32.

What equal groups  
can you make?

32 blocks in  
unequal towers.

Use 32 blocks and  
make towers of  
equal height.

Can you see...  
4 groups of 8?  
8 groups of 4?  
32 shared by 4?  
 $\frac{1}{8}$  of 32?

# Key factors of 32

Remember this  
factor triangle for  
32!

Copy the factor  
triangle for 32.  
Hide one number.  
Work out what is  
hidden.

$$32 = 4 \times \text{heart}$$

$$32 = 8 \times \text{circle}$$

$$32 \div 4 = \text{star}$$

$$32 \div \text{triangle} = 4$$

Now I know  
this triangle, I  
can solve all  
these!

$$\text{diamond} \times 4 = 320$$

$$\text{cloud} \times 40 = 320$$

$$320 \div 4 = \text{hexagon}$$

$$320 \div 40 = \text{pentagon}$$

# Equal groups to make 36

What equal groups  
can you see?

6 groups of 6?

9 groups of 4?

4 groups of 9?

One quarter of 36?

Look at these  
patterns for 36.

Try making or  
drawing your own.

# Key factors of 36

Remember these  
factor triangles for  
36!

$$\square \times \square = \square$$

$$\square \div \square = \square$$

How many  
multiplications and  
divisions can you make  
involving these factors  
of 36?

$$\square \times \square = \square$$

$$\square \div \square = \square$$

# Fraction skills

$\frac{1}{4}$  of 32 is

$\frac{1}{8}$  of 32 is

$\frac{1}{9}$  of 36 is 4

$\frac{1}{4}$  of 36 is 9

$\frac{1}{6}$  of 36 is

$\frac{5}{6}$  of 36 is

# This week we have learned:

CODE Maths Hub

Now I know these factor triangles, I know:

- Times tables
- Divisions
- Fractions!

Well done! See you next week!
